# ADD YOUR CHILD ON THE APP

Step 1: Tap the section that says 'Set up your children!' Select 'I'm adding my own child' from the menu that will appear at the bottom of the screen.
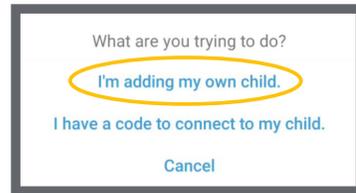

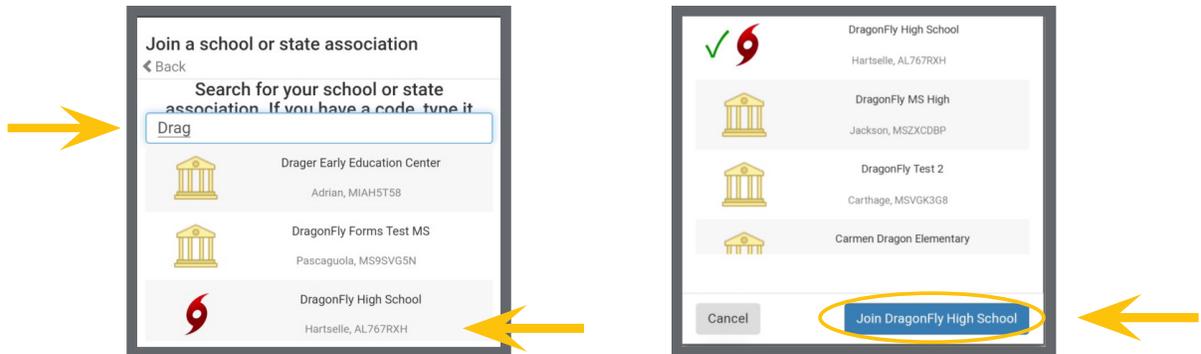

Step 2: Tap the 'Add a Child' button and then enter your child's name.
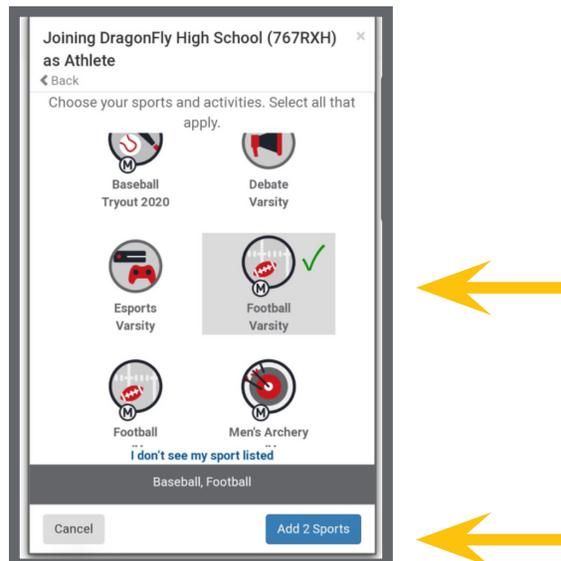

Step 3: Search for your child's school, select their school from the list, and tap 'Join.'
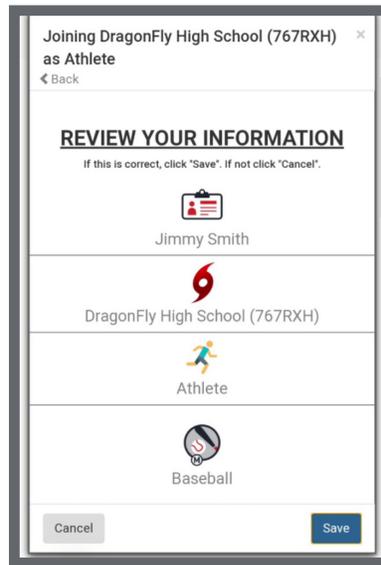

Step 4: Now, you'll need to select all of your child's sports and activities. A green check mark will appear next to all of the teams you've selected from the list. When you're done, hit the 'Add' button.

Step 5: Review your child's information, and if everything is correct, tap Save. Now your child is connected to your dragonfly account with their school and teams.
