

MANAGING ELIGIBILITY: REQUIREMENTS

The Eligibility Checklist is one simple place to see if your students are eligible to participate.

Step 1: Log in to DragonFly and select 'Schools and People' from the side menu.

This grid is called the Eligibility Checklist, where each student is in a row and each requirement is in a column. When a student has met all requirements, their name will turn **black** in the list. When a student has not met requirements and is ineligible, their name will appear in **red**. You can search and filter the checklist by year, team, role and approval status using the top toolbar.
